

CANDIDATE FOR PRESIDENT OF ACTIVITIES: Ellis Leonard

Vote Ellis Leonard #1 for Fair Representation, Quality Improvements, and Unwavering Support

My Development Plan for Activities

- Continue to help guide the growth of student media, with my gained experience to offer support and improvements
- Provide more training, support, and options for funding: BOOST Workshops, sponsorships etc
- Discuss issues that students are having more openly, continuously working towards fixing issues and supporting all activities
- Publicity; support societies with recruitment drives, by publicising achievements and events. Support within marketing for all Activities
- Build further upon the society recognition and reward programme
- Careers events that are tailored for academic societies, such as The Creative Arts Network, STEM Network etc
- Involve more local businesses within activities to promote work and opportunity outside of University

A New HUU App

- Support the continued development of a HUU app
- Inclusion of ALL activities in this app, societies, standing committees, sports etc
- Building a better form of communication for activities to new members
- The ability to simplify things such as room bookings

My time here at Hull has been nothing short of amazing. I've spent 3 years doing so much outside of my course, that now I'm in the position to give back. I was a society president for two, and a course rep. I've spent the best 7 months as Station Manager for Torch TV, and in that time I've been able to transform it entirely. Imagine what I could do as president of activities!
