

CANDIDATE FOR PRESIDENT OF INCLUSIVITY & DIVERSITY: Eve 'Evie' Kyte

Vote EVIE #1 to make your WISH come true!

I will lobby to:

WELLBEING

- Improve wellbeing training across all societies, sports teams, course representatives and staff.
- Promote Big White Wall (online mental health support).
- Make wellbeing services more visible and accessible.
- Improve support networks for men's mental health issues.

INCLUSION

- Improve the wellbeing staff's training on LGBT+ mental health and cultural competence (sensitivity to how mental health is viewed in different cultures and belief systems)
- Improve accessibility and support for disabled students. (eg Create an urgent helpline for resolving accessibility issues, and provide packs of legal information to disabled students on their rights).
- Make the curriculum more representative of the diversity of our students.

SAFETY

- Expand my current consent training campaign, making consent training more inclusive and interactive.
- Visibly support your rights, and counter victim-blaming culture.
- Expand Hull University Angels to Welly and Piper.

HERE FOR YOU

I will improve the visibility of the Inclusivity and Diversity zone, so you can see how we are representing you and how you can get involved!

I am committed to listening and taking on your ideas! I have loved campaigning as Women's Representative in this zone. In a full-time president role, I would be excited to see what more we could achieve together! @EVIEKYTE4IDPRES
