

# CANDIDATE FOR COUNCILLOR FOR SCRUTINY (Education Zone)

## JOSH SCOTT

**Josh Scott is my name and scrutiny's my game**

Hi, my name is Josh Scott and I'm running for Councillor for Scrutiny in the Education Zone of the SU. During my degree I have experienced many rough moments, whether it be the day after Asylum, starting assignments the night before they're due, or simply reading Hull Crush... I have also experienced rough moments with my education here, a student who pays over £9000 per year should be getting the highest quality education, no matter the city. I want to ensure every student gets the quality education we are paying for, especially in post-Covid times.

I'm originally from Newcastle and came to Hull over 2 years ago to study mechanical engineering; I am the Vice President of Hull's Tennis Club and am currently in my second year on the committee. In my time here I have learned a lot about how the students union runs, its merits and its flaws, and most importantly the areas I can benefit the union most; as Councillor for Scrutiny, I will ensure that these flaws are tackled and our Students' Union is held accountable.

I am incredibly dedicated to any task I undertake and this role would not be an exception, with me as your Councillor for Scrutiny you will see changes for the better, allowing both your education and experience at Hull Uni to improve.

To conclude, vote for me as your Councillor for Scrutiny for the Education Zone and you will see change, the Union will be held accountable and you will see benefits to your education here at Hull University.
