

CANDIDATE FOR PRESIDENT OF EDUCATION: Liam Carroll

Educational improvements made for you; an action plan ready for you

Since being awarded academic rep of the year and outstanding contribution to the education zone in 2019, for my work with psychology; I have now decided I want to represent students' interests university wide!

I am confident, passionate and I fully believe university should be the best years of YOUR lives.

BETTER ACADEMIC REPRESENTATION

Increase the support for course and faculty representatives in gathering feedback.

- Incentivise and better acknowledge the brilliant contribution of academic reps.

- More representation for postgraduate students.

- Hold more academic rep socials within the education zone.

CONTINUE TO REDUCE ADDITIONAL COSTS

- Lobby the University to produce a breakdown of where your tuition fee is spent.

- Scrap graduation costs, the University should be thanking us!

- Travel expenses, Textbooks, Car parking and more!

ASSESSMENT AND FEEDBACK

- Reduce the bunching of assessment deadlines and exam dates. Investigate alternative more detailed feedback options to go alongside written feedback.

- Create a standardised marking criterion across courses for each method of assessment so everyone is marked similarly and fairly.

WELLBEING AND DIVERSITY

- Ensure accessibility across campus for students with mobility needs.

- Create a relaxation room in the library so students can escape academic stresses.

- Create a multi-faith prayer room in the library so students can easily practise their faith with convenience.

- Make colour overlays readily available in the library for students with dyslexia.
