

CANDIDATE FOR REPRESENTATIVE FOR WOMEN IN SPORT

SHONA DRUMMOND

VOTE SHONA FOR WOMEN IN SPORT

HELLO!

My name is Shona Drummond, a member of Ladies Hockey and I would love to represent Women in sport this year.

I want us women to get the recognition we deserve in the sports we participate in! GRL PWR!

Gender inequality is still prevalent in 2020, even though more women are participating and performing at incredible levels of sport than ever before, but are not yet getting the recognition they deserve!

Last year, I felt that Women in sport within our University were not praised as they should have been for the incredible achievements we made throughout the year.

This year I want to work closely with Hull sport, the University, and our President of Sport to ensure that we are keeping up to date on social media with not only achievements, but also what games and competition our women are taking part in. By regularly posting on platforms such as instagram, Facebook, and TikTok, we can help to communicate such incredible achievements, games, and competitions.

If you have any questions, please don't hesitate to email me at:
